OFFICE NOTE.

Subject.

In re the taking over, the Siva and Vishnu temples on the Garudanagur Hill, — under Govt management
LAST REFERENCE —

Letter No. 379 dated —

5th December 1904, from The Deputy Commissioner,
HASSAN District

Siva and Vishnu temples on the Garudanagur Hill, which are of great antiquity and Buranic renown, are endowed with a monthly cash grant of Rs 3-4-5, as particularized in the margin

Vasudevanayya, Patel of the Garudanagur village and Agent of these temples, petitioned to His Highness the Maharaja of Mysore and the Dewan of Mysore, stating:—

- 1) That, on the top of the Hill in the Arsikere Taluk there are many Siva and Vishnu temples dedicated to Sadhulinga Swara, Karasimha Swamy, Anjaneya Swamy etc;
- 2) that the temple buildings, which were in a dilapidated condition, were repaired by him at a large outlay; a new car was constructed; a house —

no

in July 1;

(2)
for the accommodation of the travellers was purchased; and other improvements were effected thereto;

3) That he purchased lands, and deposited a large amount in the Taluk Savings Bank at Arsikere, for the benefit of the temples;

and
4) That regular accounts are maintained for the income and expenditure of the temples;

and praying:-

1) That, as some Dnam lands, which were originally granted to the temples were taken up by Govt^{tt}, the monthly cash grant of Rs 3-4-5, which is insufficient to meet the necessary expenditure of the temple, may be raised to Rs 10/.

2) That the forest produce from the Garudanagiri Hill may be permitted to be collected for the benefit of the temples as was being done formerly;

3) That, as the top of the Hill is ~~not~~ ^{not} at present, easily accessible, he has undertaken to construct a pathway, with steps, from the bottom to the top of the Hill and that he is prepared to contribute one-fourth of the cost required for the work, the balance being ordered to be paid by Govt^{tt};

4) and that the temple and its endowments may be taken under Government management.

(3)

The petitions which ~~were~~^{by the Private Secretary} referred to this Office, for disposal, and ^{those} addressed to this office, were all forwarded to the Deputy Commissioner, Hassan District, and that Officer has submitted a detailed report thereon.

By 5/12/04

From the Vernacular records received with the above, it is observed as follows:-

A nimp granted by the Nawab Hyder Ali Khan (a copy of which prepared from Hadiz's Old Accounts is herein enclosed) goes to show that Inam lands, in the Garudanagiri Village, to the value of 12 Vakahas had been assigned as Samamanza to the Sri Anjaneya Swamy Temple for Baditara, Deeparadhane and other services therein. Patel Vasudevappa deposes before the Amildar of the Arsikere Taluk to the effect that it is not possible for him to say as to what ~~became~~ became of the original Sannad - it is further observed that it is impossible to trace out their situation in the Garudanagiri Village.

For
(Enclosed 3)

The petitioner prays that the government ^{may} ~~will~~ sanction an enhanced monthly grant of Rs 10/-, as the present grant appears to be too small a sum to maintain the worshipper and other establishment attached to the temple.

The Amildar of the Arsikere Taluk, who conducted the enquiry, reports as follows:-

4

The temples on the Gaudanagari Hill are ancient and time honored institutions. They are subject to the interference ^{in fact} by the government, as they enjoys a cash tasdik of Rs 3-4-5 from the government in view to improve the efficiency of the temple, the appointment of a Brahman Bijari on Rs 5/- and a watchman on Rs 3/- is necessary; ~~and~~ ^{the authorities} accordingly recommends that the Govt may be pleased to raise the tasdik to Rs 10/- as prayed for by the petitioners.

(Vest. Cont.)

On 11th May 1900, certain aged residents of the Gamdangin Village deposed before the Amildar that, some 50 years ago, tamarind trees alone - grew on the Hill; that they had - actually seen the produce thereof being delivered to the Archak for services in the temples and pray that the Forest produce of the jungle from gall-nuts and other trees should be ordered to be given over to the temple.

In this connexion, Sateel
Sasudewayya deposes that ^{only} the produce
of the tamarind trees is, even now, (Hag P.
being delivered to the temple, but he
admits that there is no documentary
evidence in support of the claim -

The District Forest officer states that the produce of the jungle has been collected by the Forest Deptⁿ (Haga - d) since 1894 and the annual income thereof is Rs 100/. A Forest

on Rs 4/- per mensem is appointed to keep watch over it. But as it is neither notified nor settled by the Forest Department, that Officer is of opinion that the Government may order its disposal in the manner they deem fit.

The Amildar reports that considering the situation of the temples on the hill and the fact that the produce of the jungle was enjoyed by the temples, it is just that the produce thereof should be given over to the temple.

From the ~~ex~~ certificates granted by the Assistant Engineer of Kadur and other officers, who visited the temples, it is observed that the people will have to walk ~~across~~ ^{on} thorns and stones to ~~reach~~ ^{go to} the top of the hill and, as such, the construction of a ^{flight of steps} ~~pathway~~ appears to be a real necessity.

The Deputy Commissioner, in reporting the foregoing facts, states that the temples are kept in a very good condition; and ^{that} at the end of October 1904, there was a sum of Rs 959-13-1 in the name of the Deity, in the Savings Bank of the Arsikere Taluk Treasury; and that 2 pieces of land, as noted in the margin, in the Kallusadarahalli Village, measuring 4 Acres and 19 guntas and assessed at Rs 3-11-6, and the Khate ~~which~~ ^{the} standing in the name of the deity, have been made over to the temples, the produce which being utilized for Saditara other services therein. That officer

4-6

recommends that the prayer of the petitioner from Rs. 3-4 5/8 ^{wrongly given as Rs. 3-4-2 to Rs. 10} to raise the Jazdik grant may be favorably considered and the temples taken under Govt. management

As for the Forest produce, the Deputy Commissioner states that deducting the pay of the Forest guard per annum viz Rs 8 1/4% from the annual income of Rs 100% there is only a net annual savings of Rs 16% to the Forest Dept^y, under these circumstances, ^{that officer} recommends that the temple authorities may be permitted either to utilize the minor Forest produce of the jungle for the benefit of the temples or a lumpsum amount be fixed for payment to the temples every year by the Forest Dept^y.

As the construction of the steps is essential and as the petitioner is willing to contribute $\frac{1}{4}$ th of the cost required for the work, the Dy. Comm^r is of opinion that the matter of the payment of the balance by the government be favorably considered. If approved, he states that an estimate will be submitted.

Note continued

vide letter no. $\frac{4528}{2678}$ of
12th Decr. 1905.

The Forest Conservator was accordingly consulted in the matter of utilizing the forest produce for the benefit of the temples and that officer reports that the claims of the temples on the Garudanagiri Hill will be placed before the Forest Settlement officer his decision at the time of the Settlement of the Garudanagiri Forest, in respect of which proposals for reservation are about to be submitted to Govt.

Submitted for orders on the
 $\frac{RS}{13/1/06}$ four points noted on
page 6.

Muzrai Secretary's Remarks:-

There are four points urged in the
petition:-

That the temples be taken over under
Government management.

ii) That the present Tasdik of

Muzrai Secretariat.

File No. of 190

per mensem be raised to Rs. 10/-

iii) That the right of the temples be recognized to the forest produce on the Garadangiri Hill.

& iv) That a grant may be sanctioned from Government to construct a flight of steps to the top of the hill.

As regards the first point I beg to state that the temples are already Muzrai Institutions, being endowed with cash and land Inams. All that has to be done now is to ask the Amildar ^{to} include these Institutions in the monthly Muzrai Returns.

As regards the second point, I am of opinion that the present Tasdik cannot be increased as there are numerous Institutions of the kind in the State.

With reference to the third point the Deputy Commissioner may be requested to arrange to bring up the temples' claim before the Forest

()

File No.

of 190

etariat.

Settlement Officer, as suggested by the Conservator.

As regards the fourth point I am of humble opinion that the work of constructing a flight of steps to the top of the hill is a gigantic one and some help from Government is necessary. But this point may be considered when the devotees interested come forward with liberal contributions amounting to not less than half the estimated cost.

If approved the petitioner will be informed in terms of the above remarks which will also be communicated to the Deputy Commissioner.

A draft Order is submitted for approval.

Orders were accordingly issued in Govt. Oros of the 13th Feby. 1906 and the substance thereof was communicated to the petitioner, in endorsement no. 3315 of the same date.

22. April 06 Valudeviah has again petitioned this office^x complaining that orders of Govt. on the followings points mentioned in his original^e petition. were not conveyed to him. He states that they are. —

1) Grant of rice allowance from the Chattram at Banavar for the up-keep of the temples; and

2) Appointment of specified Ahmaddarsis to supervise the working of the instus. He solicits express orders of Govt on these points.

He further prays for a reconsideration of Govt. order declining to grant Tasdik towards the pay of the necessary establish.

to settle the Temples' claim to the forest produce on the Ganclangvi Hills. Needful repairs are reported to have been executed to the temples in question.

Vasudeviah has memorialized H H The Maharaja on the subject and H H has been graciously pleased to call for the submission of the papers in the case. The several points urged in the memorial are similar to those contained in his petition to this office. One of the points on which the memorialist lays stress is the enhancement of ~~tax~~ ^{tax} to ~~Rs 10~~ ^{Rs 100} in compensation of the improvements effected to the extent of Rs 10,000 by means of subscriptions alone. He represents that similar concessions have been recently shown to 4 temples in Bangalore and 3 in Nanjangud.

Muzrai Secretariat

File No. of 190

Muzrai Secretary's remarks:-

As directed in the Private Secretary's Official Memorandum No. 2826 dated 8th June 1906, I beg to submit the File of papers on the subject.

It will be seen from the preceding pages of this Office-Note that the petitioner's representations were all duly considered, and my humble remarks were submitted in pages 8, 9 & 10 of the Note. Orders were issued with the approval of the late 2nd Councillor and the late Dewan in Pre. No. 3313-4 dated 13th February 1906, and communicated to the petitioner.

It is quite true that the petitioner has been very enthusiastic in effecting repairs and improvements to the old temples on the Garudagiri Hills and has devoted much time and labour to the work, besides collecting and utilizing for the purpose large sums of money from private contributions. His prayer therefore, for a cash grant of Rs. 10 per mensem (in addition to the existing

File No. of 190

Muzrai Secretariat.

mall Tasdik of Rs. 3-4-5 per menscm) seems to
deserve very favourable consideration.

On page 9 of this Note, I expressed my
umble opinion that "the present Tasdik cannot be
increased as there are numerous institutions of
the kind in the State". Considering, however,, the
very great improvements effected by the petitioner
and the formation of a flight of steps to the top
of the Hill (a very costly work), I venture to
submit that the additional grant, applied for, is
not undeserved.

The petitioner asks for $1\frac{1}{2}$ seers of rice
per diem for these Institutions from the Ahna Chatram
at Banawar. The diversion of Chatram allowances
to temples etc, interfered seriously with the feed-
ing of the travelling public and has not been alle -
ed during the past few years. This prayer of the
petitioner cannot therefore be complied with.

His Highness has called for the submission

of 190

Subd 19/8/08 RL

[illegible]

Page ()

File No.

of 190

Muzrai Secretariat.

Submitted to His Highness.

The file of papers connected with the memorial of Vasudevia of Garudanagiri, Arsikere Taluk, regarding the temples on the Garudanagiri hill, is submitted as called for in Private Secretary's memo No.2826, dated 8th June 1906.

The petitioner's request for an increased tasdik was refused in Government Proceedings 3313-4, dated 13th February 1906. Subsequently the memorialist has presented a petition (4228, dated 2nd April 1906) praying inter alia for a reconsideration of the above order. Both the Muzrai Secretary and the Second Councillor recommend the prayer in consideration of the improvements effected by the petitioner, and I would therefore support the recommendation. An *additional* tasdik of Rs 10 may be sanctioned with effect from 1st July 1906.

The other requests of the memorialist about the appointment of Dharmadarsis and the grant of a rice allowance from the Chattram at

Banavar, on which Government have not yet passed
ed orders, will be dealt with in due course when
the file is returned after perusal.

Deputy Commissioner's Office
Hassan District
Dated 3rd December 1902

From. P. K. W. Metherall Esq. 2
Offg Deputy Commissioner
Hassan District.

To. L. Anantaram Rao Esq. 2
B.A.
Secretary to the Govt of
His Highness the Maharaja of Mysore
Mysore Department
Bangalore

Sir,
With reference to your
Official Memorandum No. 1602
dated 11th April 1902, forwarding
for enquiry and report a petition
from Patel Vasudevvaiga of Faru
dangiri, Arsikere Taluk, stating
that the Siva and Vishnu
temples on the top of Faru
Hill in the Arsikere Taluk
be taken over under Mysore
man

management, I have the honor to state that, as alleged in the petition, Patel Vasu Devaiza has taken a good deal of trouble

restoring the temples referred to. The temple buildings which were dilapidated owing to neglect have been repaired. A new car has been got ready and the car festival is being held regularly every year. A tiled house for storing car materials, vessels etc, belonging to the temple and for the accommodation of visitors has been purchased as also some vessels for cooking purposes and two lands ^{which} have been made over to the temple from the produce whereof the paoitara expenses are met. At the end of October 1904, there was a sum 959-13-1 deposited in the Savings

Savings Bank of Auckland
Landed Treasury in the name
of the Society.

2. All this has been done out
of funds collected by private
subscriptions. The petitioner
has been taking much inter-
est in the matter and is still
raising subscriptions. From
the several certificates attach-
ed to the petition and sub-
sequently received, it will
be seen that the temple is kept
in a very good condition.

3. A monthly grant of Rs 34
is being paid by Government
to the temple which is very
insufficient to meet the
absolutely necessary expenditure.
The lands which had been given
as 20 years ago are said to
have been resumed to Government.

Mc

The petitioner prays that the monthly grant of Rs 3-4- - may be raised to Rs 10/- Since with the present grant the worship cannot be satisfactorily performed, I beg to recommend that the prayer of the petitioner be favourably considered, the grant being raised accordingly and the institution taken over under Government management.

4. The petitioner further prays that the minor forest produce from the Jarudanagiri hill may be allowed to be collected for the benefit of the temples as was being done formerly. From enquiry it is learnt that the produce of the jungle there has been collected by the Forest Department since 1897. It is under contemplation in the
Forest

Forest Department to notify
the jungle as a State Forest.
From the District Forest Officer's
Zaoi no 10 Dated 23rd August '02
it will be observed that the jungle
yields an annual income of
Rs 100/- and that a Forest Guard
on Rs 7/- per mensem is appointed
to watch it. Thus it will be seen
that there is only a nett savings
of Rs 16/- per annum to the Forest
Department from this jungle.
In these circumstances the temple
authorities may be permitted
to utilise the minor forest pro-
=duce of this jungle for the benefit
of the temple. Even if the jungle
is converted into a State Forest
the hill may be notified as a
private right. If that is consi-
=dered undesirable a lump sum
59

Amount may be fixed for payment to the temples every year by the Forest Department.

5. The petitioner's further prayer is that a convenient path with proper steps be provided from the bottom to the top of the hill. The several officers who have visited the hill have certified to the urgent necessity for the same. The petitioner states that he is willing to contribute one-fourth of the cost required for the work and that the balance may be paid by Government. Since provision for steps is very essential I hope that the same be favourably considered. If approved, an Estimate for the work will be submitted.

6 Vernacular papers ending with

with Frikese Takuk Aniloo's
Report no 5, dated 17th November
1903 are herewith submitted.

I have the honor to be
Sir,
Your most obedient Servant,

Mr. Wetherall
Offg Deputy Commissioner
Heronan District

Survey and Settlement
Commissioner in Mysore.

D. S. S.

No 1607 of 23.9.05.

Offt as per Secretary's order

To,

The conservator of Forests,
in Mysore

Sir,

I am directed to state that there are temples on the Garudangiri Hill in the Arakere Taluk dedicated to Siva and Vishnu which are endowed with cash grants and as such are - Mutzmai instns. One Valudswamya Agent of the temples has been petitioning H. H. the Maharaja - urging that the forest produce from the Garudangiri Hill may be collected for the benefit of the temples as was being done formerly. An extract of a stamp granted by the Nawab Hyder Ali, & which was received with the Dy. Commr's report on the subject, goes to show that 12000 lands to the value of 12000 Karahas had been assigned as Sarwamanga to the Sri Anjaneyaswamy temple for conduct.

certain services on the 11th May 1900, certain aged residents of the village deposed before the Amildar to the effect that some 50 years ago, they had seen the produce of the tamarind trees which alone then grew on the Hill being delivered to the temple. The Dy Commr. reports that he is given to understand that the forest produce is being collected by the Forest Dept^y since 1894 and that deducting the pay of the Forest guard viz Rs 84/- from the annual income of Rs 100/- derived from the jungle, there is a net savings of only Rs 16/- to the Forest Dept^y and ^{he} recommends that the temple authorities may be permitted either to utilize the minor forest produce of the jungle for the benefit of the instns. or a lumpsum amount be fixed for payment to the temples every year by the Forest Dept^y. He adds

even if the jungle is converted
into a state forest the Hill
may be notified as ^{belonging to} ~~a private~~
~~the temple~~ ^{right}. The question of the
enjoyment of the forest produce
by the temples was not
brought forward at the
time of the Settlement and
adjudicated upon.

I am directed to request
that you will be good enough
to favor ~~your~~ with your views
as to whether ~~there exists any~~
there is any objection to ~~the~~
~~and~~ adopt ^{either} ~~one or the other~~ of
the suggestions made by the
Dy. Commr.

The favor of an early
reply is requested.

~~Respectfully~~
I have etc.

Rev. Forests.]

OFFICE OF THE CONSERVATOR OF FORESTS IN MYSORE,

No. 4528.

Dated Bangalore, 12th December 1905

Enclosures one.

From

RAI BAHADUR M. MUTHANNAH, Esq.,

Conservator of Forests in Mysore.

L. Anantawami Rao Esquire B.A.
Secretary to the Government of His Highness
the Maharaja of Mysore, Mysore Department

SIR,

In continuation of this office No 3679 dated
the 13th November 1905 and with reference to
your letter No 1605 dated the 25th September
last, I have the honour to forward herewith
copy of docket No 140 dated the 2nd November 1905
from the District Forest Officer, Hassan, reporting
that the claims of the temples on the Garudana
- giri Hill in the Arsikere Taluk will be placed
before the Forest Settlement officer for his decision
at the time of the Settlement of the Garudana
- giri Forest, in respect of which proposals for
reservation are about to be submitted

To

To Government.

I have the honour to be,

Sir,

Your most obedient servant,

W. H. C. — CB
Conservator of Forests in
Mysore

Copy of docket No 140 dated the 2nd November 1905
from the District Forest Officer, Hassan (thru' the
Deputy Commissioner) to the Conservator of Forests in
Mysore.

With reference to his No 2918 dated 4th
October 1905 calling for report on the claims
preferred by the Agent of the Temples on the
Garudangiri Hill, has the honour to state
that the Garudangiri block has been proposed
to be made a State Forest and notified
accordingly under Section 4 of the Forest
Regulation and the claims on behalf of the
temple will be placed for disposal before the
Settlement Officer at the time of Settlement.

Conservator of Forests.

Draft for approval

Muzrai Secretariat.

File No.

of 190

Read : -

(i) Petition addressed to His

Highness the Maharaja by
 Vamsadwiah, Patel of the
 Gurusamagiri village in the
 Mysore Taluk

The Dy. Commr. Hassan
 District, reporting
 on the above

(ii) Letter no 379 dated 7th Dec. 1904 from

(iii) Correspondence ending
 with letter no 4528 dated 12th
 December 1905 from the Conservator
 of Forests in Mysore -

Order: - 3313-4 of 13.2.06.

Exec. order file.

There are four points

raised in the petition : -

(i) That the temples are
 Sankaravaraswami, the
 Rajanagaraswami and the
 Chandra mahadevaraswami
 on the Gurusamagiri hill be
 taken over under Government

11061
 3.2.06

Issued

Muzrai Secretariat.

management-

(ii) That the present ~~sum~~ of Rs 3-4-4 per annum be raised to Rs 10

(iii) That the right of the temple be recognised to the forest produce on the Goundmagiri hill

& (iv) That a grant may be sanctioned from
to construct a flight of
to the top of the hill.

2. As regards the first point, the Govt. observe that the temples ~~are~~ ^{are} already 4 institutions, being endowed with cash and land revenues. All that has to be done now is to include these institutions in monthly Muzrai Returns.
By Commr is requested to

Muzrai Secretariat.

File No

of 190

issue orders to the Amildar accordingly.

3. As regards the second point, the Government request that the present Forest cannot be increased.

4. With ^{reference} to the third point, the Dy Commr is requested to arrange to bring up the temples' claim before the Forest Settlement Officer, as suggested by the Commissioner of Forests.

5. Referring to the fourth and last point, the Govt observe that the work of constructing a flight of steps to the top of the hill ^{is probably one involving much} ~~is no doubt a gigantic~~ cost.

~~and some help from Govt is necessary.~~ But the question as to how far the Govt will may be given for this work will

Muzrai Secretariat.

The paper states that the Government of India has decided to take certain steps to improve the position of the Scheduled Castes and Scheduled Tribes in the field of education and employment. The Government has decided to increase the number of seats reserved for these communities in the higher educational institutions and to provide more financial assistance to the students belonging to these communities. The Government has also decided to create more posts for these communities in the public sector and to provide more training opportunities for them.

Sir,

In submitting herewith for favour of
orders correspondence ending with
General Assistant Commissioner's order
No $\frac{1166}{403}$ dated 20th January 1906 enclosing
the petition from Vasudevaiya of
Garudangiri, Arsilhee Taluk, submitting
an application addressed to you in the
matter of the repair of the temples on the
Garudangiri Hills and for the appointment
of certain persons as Dharmadarsis for the
management of the said temples &c, I have
the honour to report that needful repairs are
reported to have been duly executed to
'the

the temples in question.

2. In regards to the raising of the Tasdik amount of Rs 3-4-~~a~~ per mensem to Rs 10 I beg to invite your kind attention to Government Proceedings No 3313 dated 13th February 1906 directing that the present Tasdik amount cannot be increased.

3. A separate reference has been made to you in my No $\frac{998}{5}$ dated $\frac{22nd}{25th}$ ultimus recommending the grant from Banawan Chattram of $1\frac{1}{2}$ seers of rice with the usual condiments for the benefit of the temples.

4. As regards the grant of the benefits accruing from those portions of the Hill I beg to state that the District Settlement Officer has already been addressed to have the matter settled about the question of the boundaries of the Hill and the Amildar has been directed to furnish the Settlement Officer the required particulars on the subject.

5. With regard to the appointment of the men proposed as Dharmadarsis

For the management of the temple, contained in para 5 of the petition, the Amildar recommends that they seem to be quite suitable for the purpose and I agree with him.

6. I beg to submit for such orders as Government may deem fit to pass the other prayers of the petitioner Vasudevaiya referred in the latter part of the petition under reference.

I have the honour to be
Sir
Your most obedient servant

Petition as shown below, to His Highness the Maharaja,

transferred to the Secretary to the Government of His Highness the Maharaja

of Mysore, in the *Muzrai* Department, Bangalore, for *Submission of*

papers in the case:-

No. 1717 of 05-06.

By Order,

Plagharanar
for Private Secretary

to H. H. The Maharajah of Mysore.

1057

To,

His Highness Sri Krishna Raja Wodeyar Bahadur
Maharaja of Mysore.

May it please your Highness

I, the undersigned Vasudevaiya of Garudanagiri most respectfully beg to approach your Highness with the following lines and to humbly request that your Highness' best consideration may be bestowed upon the same and my prayer granted.

PS
Recd
7.6.08

Garudanagiri, a village in the Arsikere Taluk was once an important place and the resort of the former rulers on account of its excellent climate. There is a hill attached to the place with 4 temples on it which contain no less than 10 gods. The place is a nice camping ground for officers and a good Shikari camp. The Hill commands charming and picturesque scenery all around and the weather at the top of the hill is always very pleasant and cool.

The ancient and venerated temples on the Hill of Sankara Chandra Maulleswara &c were for a long time in a neglected condition. I have been able to get them repaired and restored to their former condition by collecting subscriptions to the extent of about 10000/- Rupees and seeking help and cooperation from official superiors and charitable gentlemen. A path from the foot to the top of the Hill having been found

to facilitate going up the Hill, that has also been
arranged by means of funds collected with the great-
est difficulty.

For the upkeep of the temple establishment,
and the conduct of the services therein grant of land
had been made by the former rulers. But the temples having been
gradually deprived of these, the grant has dwindled to Rs. 3-4-0
per mensem. This small amount being disproportionately insufficient
to meet the temple expenses promises of yearly subscriptions
were procured for the maintenance of the temple and the perform-
ance of daily services, & the periodical special services which
have been conducted regularly and properly under my careful super-
vision. So far my attempts to improve the temples and to give
permanency to the services were successful.

But the promised yearly subscriptions not
coming in the regularity, this has led to difficulties in car-
rying on the temple services which have to be abandoned for
lack of funds. So with the view of placing the temples and the
services connected with them on a permanent footing, I once
already approached your Highness with an application praying :-
(1) that the Hill forests should be ceded as temple property
thus leaving the produce to the benefit of temples.
(2) that Government should aid in the construction of the steps
(which had not been effected then) to give facility to the large
number of devotees to go up the Hill to the temple

(2) that the annual grant of Rs. 10/- may be increased to Rs. 15/- so that the daily and periodical services can be conducted competently.

This application having been considered by your Highness to the Secretary to Government in the House of Deputies, it has been favoured with an endorsement that this matter be referred to the Board dated 12th February 1956 to the effect

(1) that the question of erecting a Hill Temple be referred to the Parent Settlement Officers

(2) that Government will contribute a portion of expenditure towards the construction of steps to the Hill if the necessary amount be raised by subscriptions and the Government bear a share of the cost; and

(3) that it is not possible to increase the land.

Under the circumstances now reported above, your Highness has to submit to your Highness that the temple service cannot be carried on without the addition of grant of Rs. 15/- per year for and that there is no possibility of any other source of income for the temple (in relation to the temple and its service the temple restored) extending over 10 or 12 years. In view of the above facts, your Highness' generosity, and in view of the fact that the grant of Rs. 10/- may be kindly sanctioned in view of the following facts:-

(1) that the construction of the steps to the Hill Temple

Government has promised some contribution has been decided.

by means of public subscriptions alone and that as a result of this there has been a saving to Government;

(2) that the revival of the temples has been effected solely by means of subscriptions without Government aid though usually in such cases half the expenses is granted by Government.

(3) that the inam lands granted to the temples by former rulers have been resumed long ago for reasons unknown

and (4) that new tasdikis similar to the one prayed for have been granted recently to 4 temples in Bangalore and 3 in Nanjangud.

I most sincerely and earnestly beg that your Highness may be pleased to direct that the additional grant of Rs. 10/- be sanctioned to the temples and I anxiously await your Highness' orders in the matter.

Herein are enclosed for your Highness perusal all records connected with the restoration of the temples and the testimonials of officers both Native and European as regards my labours and the progress of the undertaking. These testimonials clearly set forth the object and scope of the work.

I humbly beg to subscribe myself

Your Highness' most obedient and humble subject

COPIES OF TESTIMONIALS.

The efforts of Vasudevayya and those associated with him in restoring the ancient and venetated temples on the Garudanagiri Hills are laudable. Their method of work is business-like and contains a guarantee for the due fulfilment of their object. I hope they will succeed in their endeavour.

CAMP GARUDANAGIRI, Dated 27th November 1895.	}	(Sd.) A. KRISHNASWAMI IYENGAR, <i>Deputy Commissioner, Hassan District.</i>
---	---	--

This morning when I was passing through Garudanagiri to join my camp at Panchanahalli, I took the opportunity of visiting the temples on the hills. The Sankareswara temple and the Basuvanagudi opposite to it have been restored. The store room is repaired. The Nonabeswara and Sadhulingeswara deities which are placed in one place under a rock are also well looked after. The place is enclosed by a substantial wall and a strong doorway provided. The Anjaneya temple is the only place not restored yet, but I found materials collected at site. I hope in course of time that will be taken up and completed soon under the able supervision of Mr. Vasudevaiya, who I understand is taking great pains to bring the inscriptions in an efficient condition. There is a pujari on Rs. 4 now employed. Before any improvement is effected, it should be well arranged that worship is steadily carried out and sufficient means provided to tempt the pujari to continue on in service.

Dated 16/11/96.	(Sd.) T. SUNDRARAJIYENGAR, <i>Amildar, Kadur.</i>
-----------------	--

I have this day had the pleasure of witnessing the good work done by Patel Vasudevaiya. The restoration of the temples of Shankareswara and Anjaneya is complete. The temple of Nonabeswara and Sadhulingeswara has been repaired as also the temple at the foot of the hill where the procession deity of Shankareswara is kept. The worship in all these temples is regularly and properly performed and I understand that it is carefully supervised by Vasudevaiya. All this is highly creditable to Vasudevaiya and I think the members of the community who are interested in the up keep of these temples ought to be highly grateful to him. He is anxious to collect funds with a view to place the periodical special services in the temples and the annual car festival on a permanent footing and I trust he will get that support which he deserves in accomplishing the object in view.

In conclusion I cannot help drawing his attention to the necessity of providing convenient path from the foot to the top of the hill. At present no defined pathway exists, the consequence being that people have to find their own way amidst

acids and sharp edged stones causing no small pain and annoyance. Unless a good path is laid out and properly maintained I am afraid the good work done by Vasudevaiya on the top of Garudanagiri is not likely to merit that appreciation which it would otherwise enjoy.

CAMP GARUDANAGIRI, }
26th May 1899. }

(Sd.) P. NANJUNDA NAIDU,
Asstt. Suptt. of Police, Hassan Dist.

I cannot too highly commend to the notice of the public the unselfish and altruistic of Mr. Vasudevaiya in restoring the ancient temples on the Garudanagiri Hill, Arsikere Taluk. The Shankara, Yoga Narasimha and Narayanaswamy temples from a trikuta () on the very top of the Hill. Anjaneya temple is near the trikuta but a little below. The Chendra Mouleswara temple is at the foot of the Hill and all these having been repaired and the Kathotsava festival is being conducted every year by the untiring efforts of Mr. Vasudevaiya. Good deal more remains to be done. Construction of steps forgoing up the Hill is the first and foremost thing to be done. It is a pity that the Government grant for this temple is only 3½ Rs. and not more. I hope the Government will be pleased to increase the grant by at least (ten) 10 Rs. per mensem in addition to the present grant and also contribute a portion of the cost for erecting steps which Mr. Vasudevaiya says he is going to start soon, as soon as he succeeds in getting more fund from the subscribers. If the top can be easily ascended by the construction of steps, it will be probably turn to be good sanitarium. The weather at the top of the Hill is always very pleasant and cool and the view all round is most charming. I wish and pray God that Mr. Vasudevaiya is blest with good health and long life to enable him to complete the work he has undertaken.

CAMP GARUDANAGIRI, }
24th July 1901. }

(Sd.) V. AIYASWAMI IYER, B. A., B. C. E.,
Assistant Engineer, Kadur.

I visited to-day the temple on the top and at the foot of the Garudanagiri hill and was much pleased with them. Their present satisfactory condition is chiefly due to the untiring and disinterested efforts of Vasudevaiya, who seems to spare no pains to improve them. There is however good deal more to be done yet, and the paucity of funds is in the way. Now that the things have been started fairly well. I have no doubt that Vasudevaiya will find it somewhat easy to bring the things into a satisfactory close. Apart from what he expects from private contributions, he has prayed Government to supplement it by a substantial grant of the produce of the hill's for the benefit of the temples. This prayer deserves one consideration. The establishment of the temple besides is very poor as it is now and requires to be strengthened.

I quite realize the necessity for the construction of steps referred to by several gentlemen; and I have every confidence in Vasudevaiya's accomplishing it if he only succeeds in collecting subscriptions to the extent he expects.

GARUDANAGIRI, }
22/5/02. }

(Sd.) G. SREENIVASIYENGAR,
Amildar.

I visited the temples on the Garudanagiri Hill yesterday in company with Mr. Vasudevaiya and was much pleased with the manner in which they have been kept in repair by him. I hope, that some day, he will be enabled to complete a path

up the hill in order that the temples and interesting fort may be made more accessible. I am glad to subscribe Rs. 5 towards this good object.

(Sd.) G. H. THOMPSON, Capt.,
*His Majesty's Chief Inspector,
of Explosives.*

21st December 02.

Went up the hill this morning. The work of Mr. Vasudevaia in having repaired the temples etc., is highly creditable to him. Putting up steps up the hill is very desirable. This is a nice camping ground for Officers and a good Shikari Camp.

I shall be glad to recommend any reasonable proposal to improve the village and other institutions of the place.

(Sd.) K. CHANDY,
*1st General Asstt. Commissioner,
Hassan District.*

30/6/03.

I went up the Garudanagiri Hills this morning. The attempts of Mr. Vasudeviah, Patl, to improve the temples and to give permanency to the services are very praiseworthy and deserve more hearty support and co-operation from the general public than these objects have yet been received. Yearly subscriptions that have been promised by people for the maintenance of the temple and the performance of its services are not coming in with regularity. It would be a pity if the temple services are again to be abandoned for want of funds.

The fort is very interesting and should be made more accessible. I understand that a large number of devotees frequent the place and go up the hill to the temples. It would be desirable if a fund were raised for the purpose of improving the way up the Hill.

(Sd.) K. MATHAN,
*Assistant Commissioner,
Hassan District.*

26/6/04.

Accompanied by my friends and relatives I got up the Garudanagiri hill yesterday at 4 P. M. During my ascent which I performed with great difficulty for want of steps. I had to pass through four gates before reaching the Anjneya temple and a standing pool of water close by. Standing on the fort I had a good view of the picturesque scenery all round. Going still higher up I happened to meet with a huge steep rock below which there was a stone mantap containing the consecrated idols of Narayana, Narasimhara and Shankara. I was very much struck with the beauty of the figure Narasimha very finely carved in stone. The locality looked neat and clean and presented a bright appearance, the walls having been all white washed. I was glad to see the ancient temples which were for a long in a neglected condition were soon repaired and restored to their former condition by the untiring and enthusiastic efforts of Mr. Vasudeviah who seemed to have spared no pains in collecting subscriptions and seeking help and co-operation from official superiors and charitable gentlemen of the Hassan and Kadur Districts. To place the institution on a sure and satisfactory basis there is required aid not only from

the public but also from the Government in the shape of large monthly grants for its up-keep, the present grant of Rs. 3—4—0 per mensem is I hear too poor a sum to maintain the worshipper and other establishment of the temple. As the place is frequented by devotees of all sects whether Hindus or Mahummadans, it is hoped that the beneficent Government will liberally support the institution making the cry wished for object of Mr. Vasudevaiya a sure success. With regard to the construction of steps so as to make the hill accessible to all I am of opinion that the work should be undertaken at once in as much as great difficulty and danger are experienced by visitors while ascending the hill; and that unless work is progressing on no large amount could be soon collected for the purpose. In order that the intended work may be put on hand at once, I am glad to subscribe my quota of subscription for the same and hope that pious and disinterested men will come forward with their generous subscriptions so as to enable Mr. Vasudeviah, the Patel to see the construction of a pathway an accomplished fact in the near future.

It would be a failure of my duty if in this connection I omit to mention the name of Vaivattudar Rangia, the Shanbhogue of Garudanagiri, who in co-operation with the Patel Vasudeviah, has gratuitously undertaken the responsibility of managing the affairs of the temple.

GARUDANAGIRI, }

(Sd.) M. K. TIRUMALACHARYA,
Deputy Inspector.

COPY OF TESTIMONIAL.

went up the Garudanagiri Hill this morning and was present at the "puja" performed in the several temples. It is a pleasure to note the good work that has been, and is being, done in the matter of the restoration of the Temples and the serving of permanency of the services therein.

The long felt want of steps up the hill has been supplied to the extent that was found possible. All this is due to the disinterested efforts of Mr. Vasudeviab, and he deserves the sympathy and active support of the general public. As regards the aid from Government, it is observed that the Temples enjoy a monthly grant of Rs. 3-4-0. An application for the increase of this allowance to Rs. 10-0-0 is said to be pending disposal, and I have no hesitation in saying that the application deserves the most favourable consideration.
